USER STORIES

Group-20

1. **Title:** User Registration

User stories/Front of the card:

As a user (student, warden, HMC member), I want to be able to register for an account by providing my basic information, such as name, email address, and a secure password. This will enable me to create a unique account that I can use to access the system.

Acceptance criteria/Back of the card:

Situation: Imagine you're on the page where you create an account.

Action: You enter your name, email, and a secure password.

Result: You receive a message confirming that your account has been successfully made.

2. **Title:** User Login

User stories/Front of the card:

As a user (student, warden, HMC member), I want to be able to log in to the system using my registered email address and password. The login process should be smooth and efficient, providing instant access to my account's features and information.

Acceptance criteria/Back of the card:

Situation: Picture yourself on the page where you log in.

Action: You type in your registered email and the correct password.

Result: You're taken to your account's dashboard.

3. **Title:** Remember Me Functionality

User stories/Front of the card:

As a regular user, I want my credentials to be remembered for easy and quick login, so that I can save my time.

Acceptance criteria/Back of the card:

Situation: Consider yourself logging in.

Action: You check a box that says "Remember Me."

Result: Your login details are saved for next time.

4. **Title:** Important Announcements

User stories/Front of the card:

As a student, I want a section to be specifically devoted to flashing the important announcements and updates of my hostel.

Acceptance criteria/Back of the card:

Situation: Suppose you're a student.

Action: You access the announcements section.

Result: You see a list of significant hostel announcements.

5. **Title:** Fees Receipt

User stories/Front of the card:

As a student, I want to be able to fetch my fees receipt, so that I can confirm my fee payments.

Acceptance criteria/Back of the card:

Situation: Imagine you're a student.

Action: You go to the fees section.

Result: You can view and download your fees receipt.

6. **Title:** Emergency/important Contact Details

User stories/Front of the card:

As a user, I want to access the important contact details (HMC member, warden, emergency car, campus doctors) so that I can be aware of it and make maximum use of these facilities.

Acceptance criteria/Back of the card:

Situation: Imagine you want to find contact information.

Action: You visit the contact details section.

Result: You find contact info for HMC members, wardens, emergencies, and campus doctors.

7. **Title:** Room Allocation List

User stories/Front of the card:

As the warder, I want to be able to add, browse through the room allocation list of student so that I can keep track of it.

Acceptance criteria/Back of the card:

Situation: Pretend you're the warden.

Action: You open the room allocation list.

Result: You can see and navigate the list of student room allocations.

8. **Title:** Submit Requests

User stories/Front of the card:

As a user I want to be able to post my requests regarding any concern (cleanliness, security, electrical faults, water shortage).

Acceptance criteria/Back of the card:

Situation: Imagine you need to submit a request.

Action: You use the request submission feature.

Result: Your request about concerns like cleanliness, security, etc., gets successfully posted.

9. **Title:** Hostel In-Out Record

User stories/Front of the card:

As a student, I want to be able to fill and update my hostel in-out record so that concerned authorities can keep track of it.

Acceptance criteria/Back of the card:

Situation: Imagine you're a student.

Action: You access the in-out record section.

Result: You can fill and update your hostel in-out record.

10. Title: Process Requests/Complaints

User stories/Front of the card:

As a HMC member, I want to be able to access and process the posted request/complaints so that I can either forward the same to the warden or the HMC committee.

Acceptance criteria/Back of the card:

Situation: Picture yourself as an HMC member.

Action: You access the requests/complaints section.

Result: You can review, process, and decide whether to pass submissions to the warden or HMC committee.

11. Title: Guardian's Visit Request for pass

User stories/Front of the card:

As a student I want to be able to submit my request for a guardian's visit to the campus for warden's approval.

Acceptance criteria/Back of the card:

Situation: Imagine you're a student.

Action: You send a request for your guardian's visit.

Result: The warden receives the request and can approve or deny it.

12. Title: Hostel Guidelines and Policies

User stories/Front of the card:

As the warden I want a designated section to showcase hostel guidelines and policies so that the residents can abide by it.

Acceptance criteria/Back of the card:

Situation: Imagine you're a resident.

Action: You access the hostel guidelines section.

Result: You can see the designated guidelines and policies for the hostel.
